

**MESSAGE OF CONDOLENCE FROM THE SPEAKER COUNTY ASSEMBLY OF  
NYERI HON. JOHN KAGUCHIA ON THE DEMISE OF HON. PETER WERU  
MCA RUGURU WARD**

It is with immense shock and profound sorrow that I announce the demise of Hon. Peter Weru, MCA Ruguru Ward who suddenly passed on yesterday. I wish on my behalf and on behalf of the County Assembly of Nyeri to express our sincere condolences to the family, to the People of Ruguru Ward and the County at large.

His loss will be particularly felt by all Members and staff of the County Assembly and the people of Ruguru Ward for whom he worked so closely with. The memory of his brilliant leadership will remain a source of inspiration and encouragement to all his friends, supporters and family.

He was well composed, patient, firm and resolute in all the tasks he undertook. He articulated issues facing his ward in the Assembly with energy and precision. As the Chair Health Services Committee, he had a vision of transforming Health Services in the County through his experience in the medical field. We have lost such a visionary leader.

Our thoughts and prayers goes to his family; the people of Ruguru Ward and Nyeri County at large during this difficult time. May He Rest in Eternal Peace
